2018 All Time Mobile Category Records - Non-7th Areas

Notes:

1. With the 2013 Rule change splitting Mobile into Single-Op and Multi-Single a new series of all time records was started. Pre-2013 Mobile records have been documented separately and are available.
2. For purposes of All Time Category Records Mobile stations are ranked according to their single total score across all QTHs they operated in. For All Time QTH records only their score in each QTH is used.
